**For the Good of the group:** - Alcohol- It has been brought to Mike's attention that coaches and parents have been consuming alcohol at the fields during games and tournaments. This is not acceptable as we could lose our permits. The coaches were informed of this and were asked to talk to their parents. This is the only warning being given. There is to be no alcohol or Marijuana at any of the fields. Also, during this discussion, they brought up members of the organization drinking at the Crab Feast and Golf Tournament. These two events are private adult only ((21 and older) events and are meant for the members to kick back and have a good time with no judging.

We appreciate all our Volunteers. Remember that on and off the field we are considered representatives of the Hot Shots.
